## About Us

### Mission and Vision

**Vigyan Setu Foundation** believes that awareness not only acts as a catalyst for change but also empowers society. Social awareness brings in the ability to understand and respond to a certain social situation in an appropriate way, along with the ability to realize and properly communicate with people across backgrounds. With changing times, every member of society must evolve and develop one of the important skills of social awareness. The mission of **Vigyan Setu Foundation** is to raise awareness in society using methods of science.

The vision of **Vigyan Setu Foundation** is *Bridging Science and Society*

### Objectives

The principal objectives of **Vigyan Setu Foundation** are to promote education in general and science education in particular, communication skills and personality development among younger generation, more particularly school and college going children to develop a better, responsible, logical thinking citizenry.

In order to achieve these objectives, **Vigyan Setu Foundation** organizes programs and events to sensitize the “Generation Next”, create awareness among the general public, and provide capacity building to the professionals about Science specifically, on the issues that affect Society at large, through informative and interactive sessions including talks, lectures, seminars, meetings, exhibitions, workshops, and in and off-field demonstrations.

In addition, **Vigyan Setu Foundation** aims at sensitization and creating awareness particularly among children, womenfolk, and common masses, in general, about conservation of Environment, and preservation of our Scientific Heritage monuments. Also, **Vigyan Setu Foundation** strives at sensitizing young minds, creating awareness among society regarding animal and human health related issues.

Ultimately, **Vigyan Setu Foundation** aims at *Bridging Science and Society*, realizing the fact that ‘**Science is a way of life**’ and Society needs logical and rational thinkers to make Planet Earth a place worth inhabiting.

## **Key Functional Areas:**

### **Promotion and Popularization of Science:**

**Vigyan Setu Foundation** strives to make science accessible and engaging for the public. Through various outreach programs, **Vigyan Setu Foundation** works to foster a deeper understanding of scientific concepts and their relevance in everyday life.

### **Awareness of Women's Health Issues:**

**Vigyan Setu Foundation** raises awareness about critical women-related health concerns, with a special focus on conditions like thyroid dysfunction and polycystic ovary syndrome (PCOS). These efforts aim to empower women with knowledge about these common yet often misunderstood health issues.

### **Promotion of Science Tourism:**

Using science tourism as a unique tool for communication, **Vigyan Setu Foundation** promotes scientific heritage and discovery. This approach encourages public interaction with science by exploring places of scientific interest, making learning more experiential and engaging.

### **Public Health Awareness:**

**Vigyan Setu Foundation** is also involved in educating the public about diseases of public health importance. By providing accurate information and resources, **Vigyan Setu Foundation** contributes to the prevention and early detection of these diseases, promoting healthier communities.

## Activities

### Riding over COVID-19 crisis

We entered the year 2020 with an unknown entity, which turned out to be a causative agent of a pandemic. A series of lockdowns accompanied with a new normal that included wearing masks, restricted within one's home, following social or physical distancing and the likes resulted in exploring new avenues to achieve the stipulated objectives. Online or virtual mode took the centre stage and that led **Vigyan Setu Foundation** to launch You Tube Channel and an e-Magazine.

The crisis continued even throughout the year that followed. Even during the year 2021, pandemic gave a rough ride. Hence major activities, once again, got restricted to online mode.

**E-Magazine:** On the occasion of its 9<sup>th</sup> Foundation Day, on 12/12/2020, **Vigyan Setu Foundation** brought out **Vigyan Setu**; a quarterly and bi-lingual online magazine that intends carry a melange of invited articles, information, news round-up, poems / stories, games / puzzles, anecdotes about commemorative days and scientists, forthcoming events / trainings, a travelogue on science tourism and the likes, encompassing objectives of **Vigyan Setu Foundation**. <https://vigyansetufoundation.in/e-magazine/> is the link to reach out for **Vigyan Setu** e-magazine.

During the year 2021-2022, FOUR issues of **Vigyan Setu** e-magazine were uploaded.

Third issue of the First year was launched on 01 June 2021 for the quarter June – August 2021. This issue carried articles commemorating World Milk Day, World Environment Day, World Music Day, World Nature Conservation Day, World Zoonoses Day, and World Youth Skills Day.

Year 01 Issue 04

September 2021 – November 2021

### Vigyan Setu e-magazine

1	<i>Editorial</i> <a href="#">Meet the Team</a> <a href="#">Connect with Us</a>	5	<i>Observe World</i> <a href="#">Animal Day and Celebrate Life</a>
2	<i>World Science Day for Peace and Development</i>	6	<i>Time Travel and its Possibilities</i>
3	<i>समाज के प्रति छात्रों की जिम्मेदारी</i>	7	<i>Celebration of Intellectuals</i>
4	<i>Clean Hands - The Guardians of Health</i>	8	<i>समाज में शिक्षक की महत्वपूर्ण भूमिका</i>

Vigyan Setu e-magazine

2

The fourth issue of the First year of **Vigyan Setu** e-magazine, uploaded on 01 September 2021, contained articles in celebration of World Science Day for Peace and Development, World Handwashing Day, World Animal Day, International Astronomy Day, World Student Day, National Teacher's Day, and National Engineers' Day.

Issue 04 August 2021

September 2021 – November 2021

### Vigyan Setu e-magazine

### Vigyan Setu e-magazine

A quarterly bilingual e-magazine of Vigyan Setu Foundation

#### In this Issue

1	<i>Editorial</i> <a href="#">Day for Peace and Development</a> <a href="#">Connect with Us</a>	5	<i>International Day of Women and Girls in Science</i>
2	<i>National Handwashing Day</i>	6	<i>International Day of the World's Indigenous Peoples</i>
3	<i>National Teacher's Day</i>	7	<i>National Science Day</i>
4	<i>National Tourism Day</i>	8	<i>International Day for the Preservation of the Ozone Layer</i>

The First issue of the Second year of **Vigyan Setu** e-magazine was uploaded on 01 December 2021, which contained articles commemorating National Mathematics Day, National Youth Day, National Tourism Day, International Day for Women and Girls in Science, and the National Science Day.

The Second Issue of the Second year of **Vigyan Setu** e-magazine was uploaded on 01 March 2022. This issue carried articles on Sleep; science behind it and its role in well-being, Role of Forest Parks in Eco-tourism with special emphasis on Rajasthan, a poem on Balanced Diet, a write -up on Creativity and Innovation, on Laughter, and on Tea Composition commemorating different national and international Days.

### **Promotion and Popularization of Science:**

**Vigyan Setu Foundation** strives to make science accessible and engaging for the public. Through various outreach programs, **Vigyan Setu Foundation** works to foster a deeper understanding of scientific concepts and their relevance in everyday life.

### **Promotion and Popularization of Science**

Promotion of Science among children particularly and public in general *through hands-on experimentation, demonstrations, lectures, and popular science books exhibition* has been one of the foremost objectives of **Vigyan Setu Foundation**.

During the year 2021-22, the entire world was trying to recover from the after-effects of the pandemic that had impacted social, economic and environmental aspects of our sustainability. Still with physical meetings and programs were restricted; hence, this objective was met through virtual mode.

### **Blogs and Quizzes:**

To commemorate number of international days across the year, blogs on the respective days were uploaded on the website and a quiz was launched based on these days. The national and global observances related to science in general, and the number of participants that attempted the quiz are enlisted hereunder.

<b>Commemorative Days</b>	<b>Quiz Attempted By</b>
National Technology Day	101
World Telecommunication and Information Society Day	41
World Environment Day	852
World Nature Conservation Day	425
Renewable Energy Day	332
World Ozone Day	57
International Internet Day	147
World Soil Day	245
National Energy Conservation Day	351
World Braille Day	33
Road Safety Week	282
World Wetlands Day	315
International Day of Women and Girls in Science	237
World Engineering Day	230
World Forestry Day	286

### **Events:**

**National Mathematics Day 2021:** On National Mathematics Day, National-level Essay Writing Competition was organized for two groups; a) school going and b) college going students. It was launched during early November 2021. An overwhelming response was received from every part of the country. Results were declared on 22 December 2021.

**Guidelines for the National-level Essay Writing Competition 2021:**

**Topic: Mathematician who gave new dimension to Mathematics**  
गणितज्ञ जिन्होंने गणित को नया आयाम दिया

*Participants are expected to pick up only ONE mathematician from any of the periods (Vedic, classical, medieval or modern) and give his / her bio-sketch in brief and elaborate upon his / her accomplishments and contributions to the world of Mathematics.*

**Groups:** There are TWO groups for participation –

**Group A:** School-going students (Std X, XI or XII)

**Group B:** College-going students (UG or PG)

**Word limit:** The essay should be within 750 words

**Language:** The essay can be written either in English or Hindi language

**Submission:** Along with your personal details (name, school/college, complete postal address, standard studying in, and contact number), paste

Vigyan Setu Foundation®  
Bridging Science and Society

## National Mathematics Day

### National-level Essay Writing Competition - National Mathematics Day 2021

Bharat is celebrating Azadi ka Amrit Mahotsav, with the objective of commemorating seventy five years of progressive Bharat and the glorious history of her people, culture and achievements. As a part of this grand festival, Vigyan Setu Foundation announces a National-level Essay Writing Competition on the occasion of National Mathematics Day 2021.

Participate and be the part of Azadi ka Amrit Mahotsav and National Mathematics Day 2021. Remember, last date for submitting your Essay is 15 December 2021.

Meanwhile do visit our website <http://vigyansetufoundation.in> for regular updates.

The winners of the National Mathematics Day 2021 National-level Essay Writing Competition were –

- Reshel Brenty Fernandes from Karnataka and
- Manishkumar Basant Mishra from Mumbai.

**World Water Day 2022:** On World Water Day, Slogan Writing Competition was organized for participants from School-going students, College-going students, and Others (including working and non-working members)

**WORLD WATER DAY 2022**  
SLOGAN WRITING COMPETITION

World Water Day, on 22 March every year, is about drawing attention to the importance of water. This year's theme "Groundwater": draws attention to the hidden water resource that has always been critically important but not fully recognized in sustainable development policymaking.

**TOPIC FOR SLOGAN WRITING COMPETITION**  
GROUND WATER - MAKING THE INVISIBLE VISIBLE

**CATEGORIES:**

- A. HIGH SCHOOL STUDENTS
- B. COLLEGE GOING STUDENTS
- C. OTHERS (WORKING/NON-WORKING INDIVIDUALS)

Questions Responses 200 Forms

**Vigyan Setu Foundation®**

**World Water Day 2022 - Slogan Writing Competition**

\*Please Read Carefully the General Guidelines before Writing in the Participant Form.\*

**TOPIC FOR SLOGAN WRITING COMPETITION**  
GROUND WATER - MAKING THE INVISIBLE VISIBLE

**CATEGORIES:**

- A. HIGH SCHOOL STUDENTS
- B. COLLEGE GOING STUDENTS
- C. OTHERS (WORKING/NON-WORKING INDIVIDUALS)

More than 225 submitted their entries, and eight slogans were awarded with an e-Certificate and a set of popular science books.

**Congratulations**

The slogans submitted by the following participants in the respective categories were adjudged as among entries by the panel of judges.

HIGH SCHOOL	ABHISHEK SINGHAPUR	ABHISHEK PUNJ (CHHATTISGARH)
	RIKARTI VASHEWAL	ROHITAK (HARYANA)
	SMITHA GOVINDAN	MEHOBAT (MAHARASHTRA)
COLLEGE GOING	ARYINDRA MANAT	DUNGARPUR (RAJASTHAN)
	NRITA GUPTA	BAGLUPUR (MAHARASHTRA)
OTHERS	AMRITA KOLU	JAMMU (JAMMU)
	POOJA KHARE	SURIGEEM (HARYANA)
	VAIBHAV ALAI	NASIK (MAHARASHTRA)

**Awareness of Women's Health Issues:**

**Vigyan Setu Foundation** raises awareness about critical women-related health concerns, with a special focus on conditions like thyroid dysfunction and polycystic ovary syndrome (PCOS). These efforts aim to empower women with knowledge about these common yet often misunderstood health issues.

## **Awareness of Women's Health Issues**

Most important health related issues that affect women include Thyroid Dysfunction and Polycystic Ovarian Syndrome (PCOS). Sensitization and Awareness Creation about these conditions, being one of the objectives of **Vigyan Setu Foundation**, were made *through social media, exhibition and interaction with the experts, and distribution of printed flyers.*

During the year 2021-22, due to continued restrictions imposed, these objectives too were met through virtual mode by way of a number of presentations re-uploaded on the You Tube Channel.

**World Thyroid Day:** **Vigyan Setu Foundation** re-launched You Tube Channel on 25<sup>th</sup> May 2021, the day, which is being celebrated as World Thyroid Day, every year. The entire presentation was made into a series of seven videos, which were uploaded for public viewing, one video on each day of the week, celebrating World Thyroid Week, from 25<sup>th</sup> May through 31<sup>st</sup> May 2021.

Know Thy Thyroid Part 1	<a href="https://www.youtube.com/watch?v=pBTq2VjpFIQ&amp;t=64s">https://www.youtube.com/watch?v=pBTq2VjpFIQ&amp;t=64s</a>

**Polycystic Ovarian Syndrome:** PCOS, in short, is yet another health-related complexity that arises in female population of reproductive age that often goes unnoticed and thereby unattended taking its toll on the well-being of a woman. **Vigyan Setu Foundation** uploaded information on PCOS on its FB account on 08<sup>th</sup> March 2022, the International Women's Day.

<https://www.facebook.com/1818370638386412/videos/268828604031635>

In addition, as a part of PCOS Awareness Month, which is being celebrated globally during September, **Vigyan Setu Foundation** uploaded information related to this syndrome on the website as a Blog in both Hindi and English languages. <https://vigyansetufoundation.in/blog-posts/>

A video presentation on PCOS related awareness was uploaded on the You Tube Channel for public viewing on 01<sup>st</sup> September 2021. <https://www.youtube.com/watch?v=l1VzLWPnu6k>

### **Promotion of Science Tourism:**

Using science tourism as a unique tool for communication, **Vigyan Setu Foundation** promotes scientific heritage and discovery. This approach encourages public interaction with science by exploring places of scientific interest, making learning more experiential and engaging.

## Promotion of Science Tourism

India has a rich tradition of science and technology that goes back to five thousand years and has several evidence in the form heritage sites or locations that speak a lot about it. Promotion of such Scientific Heritage using Science Tourism as communication tool *through talks, lectures and presentations, and development of resource material* has been one of the key functional areas of **Vigyan Setu Foundation**.

## **Blogs and Quizzes:**

To commemorate number of international days across the year, blogs on the respective days were uploaded on the website and a quiz was launched based on these days. The global observances related to science tourism in general, and the number of participants that attempted the quiz are enlisted hereunder.

Commemorative Days	Quiz Attempted By
World Tourism Day	218
National Tourism Day	113
International Tourist Guide Day	138

## Events:

**National Science Day 2022:** On 28<sup>th</sup> February 2022, Vigyan Setu Foundation celebrated the National Science Day with two events.

In the morning an online talk was delivered on Science Tourism to the students and staff of Army Public School, Damana (Jammu), Though the program was virtual but the lively interaction with the enthusiastic students added more than reality.

In the evening, **Vigyan Setu Foundation** joined the National Science Day celebration at Pimpri Chinchwad Science Park (Pune, Maharashtra). After delivering a talk on Science Tourism to the packed auditorium, our Managing Trustee, Dr Lalit Sharma, felicitated the prize winners of different activities. To many awardees, medal, certificate, and mementoes were given at the hands of our Chairperson, Dr Meena Sharma.

No	Time	Programs	
		Program	Details
1	10:00 AM	Science Exhibition by Agniveer Foundation	
2	11:00 AM	Laboratory & Plant Workshop - by Dr. Neeraj Patel & Dr. Prachi Adikar - Mewati Vidyut Prakashik Pratishik Prayog, Science - in memory of Bhagwan Shagger Rishi	
3	1:00 PM	Science Quiz Competition (Open - 1750 INR and 1500 INR for Std 10th, Second Year 10th, Third Year 10th & Supply Science) - in memory of Bhagwan Shagger Rishi	
4	1:30 PM	Handy Gyaan Activities (10 min, 1 minute Round) - Dr. Meena Sharma, SCB, Maharashtra	
5	2:00 PM	Popular Science Lecture, School-School Teacher by Dr. Lalit Sharma, Director, Vigyan Setu Foundation	
6	2:30 PM	Prize & Awards Distribution Ceremony

Chairperson and Managing Trustee of **Vigyan Setu Foundation** with the Officials of Pimpri Chinchwad Science Park

Managing Trustee of **Vigyan Setu Foundation** delivering a talk on Science Tourism

Chairperson and Managing Trustee of **Vigyan Setu Foundation** felicitated the awardees of different activities

**Public Health Awareness:**

**Vigyan Setu Foundation** is also involved in educating the public about diseases of public health importance. By providing accurate information and resources, **Vigyan Setu Foundation** contributes to the prevention and early detection of these diseases, promoting healthier communities.

## Public Health Awareness

Yet another key function area of **Vigyan Setu Foundation** is to sensitize and create awareness among one and all, about animal and public health related issues *through talks, lectures, and publication of write-ups or popular articles*. Since during the year 2021-2022 limitations imposed on holding physical meetings led all the activities restricted to virtual mode. Remaining undeterred by the restrictions imposed, **Vigyan Setu Foundation** continued keeping the patrons glued to the awareness about various diseases and associated issues, all through the year.

### Blogs and Quizzes:

To commemorate number of international days across the year, blogs on the respective days were uploaded on the website and a quiz was launched based on these days. The global observances related to public health in general, and the number of participants that attempted the quiz are enlisted hereunder.

Commemorative Days	Quiz Attempted By
World Health Day	155
World Immunization Week	42
World Blood Donor Day	111
International Day of Yoga	67
World Organ Donation Day	145
National Nutrition Week	494
World First Aid Day	215
World Animal Welfare Day	220
World Mental Health Day	654
World Food Day	635
World Osteoporosis Day	46
World Immunization Day	58
World Diabetes Day	261
World Kidney Day	150

### Events:

**World Rabies Day:** Rabies being one of the most fatal zoonotic diseases, **Vigyan Setu Foundation** planned to organize online (or offline, when pandemic situation improves) lecture series all through the year beginning this World Rabies Day, 28 October 2021. On the World Rabies Day, a blog in Hindi was uploaded on the website. Thereafter, another online lecture was organized for the public in Hindi language.

The series of online lectures on sensitization and awareness creation regarding Rabies continued with lectures organized on 28 November 2021, 26 December 2021, 29 January 2022, 26 February 2022, and 27 March 2022.

To begin with the first in the series was organized in association with Eklavya University, Damoh (Madhya Pradesh) for their faculty and students.
